## REPORT of the COMPTROLLER and AUDITOR GENERAL.

Exchequer and Audit Department, Somerset House,  
London, W.C., 23 July 1868.

My Lords,

I HAVE the honour to transmit to your Lordships, to be laid before the House of Commons, in pursuance of the provisions of the 11th Section of the Act of 29 Vict. c. 23, a copy of the Account of the Receipt and Expenditure in respect of the Duties of Customs of the Isle of Man, for the year ended the 31st March 1868, rendered by H. W. Dobell, Esq., Comptroller General of Her Majesty's Customs.

To the correctness of this account I have, in accordance with the terms of the Act in question, attached my certificate.

I beg leave also to transmit, for the purpose of being laid before the House of Commons, in accordance with the requirements of the same section of the Act, a Statement of the Account of the Isle of Man "Accumulated Fund" for the same period.

With reference to the first-mentioned account I have to report, that the sum expended under the head of "Civil List," amounting to 12,252 *l.* 11 *s.* 2 *d.*, is composed of the following items, viz. :—

|                                                                                                                              | £.     | s. | d. |

Under the head of "One-ninth Revenue," the following payments have been made, under Treasury authority :—

|                                                                                       | £.    | s. | d. |

| Keppel Gate Road - - - - -                                                            | 396   | 2  | 8  |

The accounts of the "Civil List," "Police Pay," "Fine Fund," maintenance of Criminal Lunatics, as well as those of the "One-ninth Revenue," and the "Accumulated Fund," have recently been rendered to the Exchequer and Audit Department; but with reference to the last paragraph but one of the Treasury Minute of the 5th of July 1866, I have to observe, that no account has yet been furnished in respect of the sum of 2,300*l.* under the head of "Harbours," paid to the Receiver General of the Isle of Man, to be applied, in accordance with the provisions of the 4th section of the Act of 29 Vict. c. 23, "For the lawful purposes of the Harbour Commissioners" mentioned in the Act 8 & 9 Victoria, c. 94, s. 25.

In a letter from this Department of the 9th of January last, in reply to a Treasury Minute of the 22nd of April 1867 (19042), on the subject of saving a double audit of that part of the account relating to expenditure incurred by the "Education Department," the "Board of Works," the "Admiralty," and the "War Office," it was stated that, as the expenditure incurred by these departments would be included in the accounts examined by this office, all that would be necessary in examining the accounts of the Customs of the Isle of Man would be, to ascertain that the sums charged agreed with the total sums recorded in the accounts of those departments as having been expended for the services in question.

No

No difficulty has been found in checking the amounts in respect of the first two services referred to ; but, as regards the Admiralty and the War Office, the present system of audit of the accounts of those departments by this office does not enter sufficiently into details to enable me to verify the sums expended on account of those two services.

In my letter of the 27th of June 1867, transmitting the account of the Isle of Man Customs for the year 1866-7, I reported that the amount of the expenditure included in the account under the head of " Civil List," had been found to exceed that of the vouchers produced by the sum of 977 *l.* 18 *s.* 1 *d.* Your Lordships will observe, that the sum in question has been brought to credit in the account for 1867-68.

With reference to the account of the " Accumulated Fund," I have to report, that the same has been examined in this department and found correct.

I have, &c.
